

# Mentorloop Apps & Integrations

At Mentorloop, we believe the right connection can change your life, and we make those connections available for all. We hope to provide participants with a seamless transition into their day to day activities through the use of the following apps and integrations.

## Seamless Sign-ups

### Single Sign-On

Ensure your participants can securely authenticate with multiple applications and websites using a single set of credentials.

### Social Sign-on

Participants can utilise social sign-on functionality such as Google and LinkedIn

### Salesforce

Combine your mentoring participant data with two-way synchronisation and dynamic updates for a complete picture of your community or membership base,

## Calendar Integration

### Calendar Integrations

Encourage your participants to integrate their calendars into Mentorloop so they never miss a mentoring catch-up. Calendar integrations:

- Provides your participants with the best time to meet
- Provide updates on the go as it syncs with Mentorloop in an instant
- Helps to use participants' favourite meeting tools (Zoom, Teams, Phone)

*Available calendar integrations: Google, iCloud, Office 365, Microsoft Exchange, Outlook.com*

## Video Integration

### Video Conferencing

Meeting with one another has never been easier. Simply connect [Zoom](#) or [Microsoft Teams](#) accounts to Mentorloop and launch video meetings from within the 1:1 loop.

*Microsoft Teams is only available on Mentorloop Enterprise*

## Slack Integration

To create a seamless transition into participants' existing communication tools, the [Slack Integration](#) enables just that.

- Receive your notifications in one place
- Empowers participants to put mentoring front of mind as notifications are surfaced via tools they already use
- Participants can receive and answer surveys via Slack, helping to provide real-time feedback on the program overall.
