To help you prepare your application,
here are your 8 key questions:

Please introduce yourself

Tell us your name, role, and a brief description of your organisation or community.

Before working with Mentorloop, what was happening in your organisation that made you realise you needed a mentoring program?

Can you describe a specific moment or situation that brought this to life?

Was there a moment where you realised your mentoring program was making a real impact for your organization or community?

Tell us the story of that moment and what it meant for you or your organization.

What has changed since launching with Mentorloop? What tangible results have you seen?

This could be a story of participation rates, retention, promotions, diversity outcomes, or personal success stories etc

What about Mentorloop has made it easier for you to build and grow your program?

Are there features or support that made a big difference?

What's next for your mentoring program?

How do you see it evolving in the next year or two?

Our mentoring program was initiated six years ago and has been incredibly successful in helping our members connect and network with others who share their goals and expertise.

Member Services Officer at
Australian Institute of Architects

If you had to sum up the impact of your program in one sentence, what would it be?

If you could give one piece of advice to someone starting a mentoring program today, what would it be?
