Our mentoring program was initiated in March 2020 and has been incredibly successful in helping our members connect and network with others who share their goals and expertise.

Jenny Nguyen

Member Services Officer at
Australian Institute of Architects

To help you prepare your application, here are your 8 key questions:

Please introduce yourself and your role

Before engaging Mentorloop, can you describe the challenges your organization faced?

Describe the impact your mentoring program has had on your organization or community

Did you participate in a Mentorloop Challenge this year? If so, can you describe the results? (optional)

What plans do you have for the future of your Mentoring Program?

What advice would you give to those new to managing a mentoring program?

How have you demonstrated equal access to mentoring opportunities within your organization?

Tell us more about how you're building a culture of mentoring in your organization
